19. Every applicant for a position with the Peoples' Ministry of Education or with any of the offices subordinate to the Ministry must submit four questionnaires (Fragebogen). Two of these remain in the Ministry while two go to the Party. One questionnaire remains with the state executive committee (Landesvorstand) and the second goes to the ZS in Berlin. The ZS turns this over to the SED for examination and then either confirms or forbids the appointment. An appointment by the state executive committee can be invalidated by a contrary decision of the ZS. All new appointments will for this reason in the future be made only provisionally since the confirmation or denial by the ZS at present takes six months or longer to come through.
